Hi Suzanne and Jeff,

I just received the official SWPPP from the site. The document is over 18mb, so I wanted to send a separate email to let you know it is being emailed because some servers block large documents such as this.

Please let me know if you don't receive the SWPPP.

Thank you,
Scott

Hi Scott,

Were you able to obtain a signed copy of the SWPPP at the site for this project?

Suzanne,

That is at the site, but I will see if I can get a copy of that for you in the next couple days.

Scott,

Would it be possible to send me a signed copy of the SWPPP for this project or is that only available onsite?

Thank you,

Hi Ms. Warner,

Per your request, I have attached the 2012 SWPPP for the Arboretum Village Subdivision. Please note that the attachments are lumped together in this pdf, but are separated by tabs in the official binder. The working copy is at the project site and contains the inspection reports and logs.

Please review this document and let me know if you have any questions or comments.

Thank you,
Scott

Dear Ms. Warner:

I have received your email requesting the SWPPP plan. I am asking the project consultant, Scott Morrison, at Ecotec to send you the plan. I am also asking him to provide you with anything you may want after you review the SWPPP. If you do need anything further, please feel free to email me, or email Scott Morrison. If you do not get it from Scott by the end of the day, please let me know and I will try to break the file down into convenient packages.

Scott: Please send the SWPPP plan and all attachments to Susan Warner. Also, you may cooperate with ,and provide, the EPA with any additional information that they may request.

Thank you.
Steven Gallo
